

# Shielded Cat 6a Cables

Category Cables - Cat 6a (Shielded)

## Covid Cat 5e (Plenum)

25ft. - P-C6AF-RJ-BLK-25  
35ft. - P-C6AF-RJ-BLK-35  
50ft. - P-C6AF-RJ-BLK-50  
75ft. - P-C6AF-RJ-BLK-75  
100ft. - P-C6AF-RJ-BLK-100

## Why Use These Covid Cables?

**Quality:** Covid Category cables are made with premium materials making them a durable and reliable choice for most network applications.

**Shielded:** The shielded category cables are best suited for environments with high electromagnetic and radio frequency interference.

**Speed: Speed:** Category 6a cables offer faster speeds vs. standard category 6 cables. These cables are best suited for high speed (10Gbps) network applications.

## Specifications

- Plenum Rated
- RJ45 Male to RJ45 Male
- Durable Connectors with Strain Relief
- Cat 6a Shielded Construction
- Custom Lengths Available
