

28AWG HDMI Cables

Economy Series, High Speed HDMI Cable with Ethernet, 28 AWG Construction

Why Use This Covid Cable?

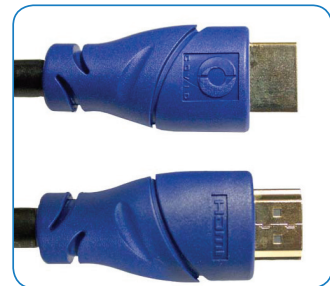

Cost: The economy series HDMI cables offer a more cost effective high speed cable choice that supports up to 4K - 2160p@60Hz resolutions.

Gauge Size: Utilizing a larger 28AWG cable offers more bandwidth capacity verses other cable brands using smaller gauge sizes with their economy line cables.

Construction: This cable is built with a durable over mold and uses high grade materials for optimal cable performance.
