

# Active Optical HDMI Cable (PLASTIC)

High Speed HDMI Active Optical Cable

## Why Use This Cable?

**Cost:** The AOC HDMI Plastic cable is more cost effective than the glass fiber cable options.

**Lightweight:** These HDMI cables weigh less than copper cables, making them a great option for ease of installation and when shipping costs are a concern.

**Flexibility:** The Covid AOC HDMI Plastic cable offers an extremely tight bend radius and may be less prone to damage when compared to glass fiber.
