

HDMI AOC Cable w/ Detachable Adapter

Supports 4K60Hz up to 300 feet

Why Use This HDMI Cable?

Flexibility: The Covid AOC HDMI 18G, 4K Ultra HD cable offers an extremely tight bend radius of 5mm. In addition, this cable is thin, light weight and much more flexible than traditional copper cables.

Detachable Connectors: Unique to this cable are the detachable connector heads making it easy to pull through tight spaces or even conduit. Connectors simply snap back into place once cable is installed.

Resolution: The AOC HDMI 18G, 4K Ultra HD Cable is the perfect choice for high resolution digital video applications. The cable supports resolutions up to 2160p@60Hz (4K - 18G) up to 300ft.
